Ateneo de Naga University

📅 06/2022 - 05/2023 📍 Naga City, Camarines Sur

A platform that revolves around pet adoption and rehoming where the digitalization of the adoption process allows the adopters to fully achieve adopting through a location-based mobile application. With high ratings in the System Usability Scale (SUS) and User Acceptance Testing (UAT), it proved to be a valuable tool for pet adoption processes.
